The trial serves to assess/confirm the applicants' sports talent and potential. Applicants may be asked to do some drills, time-trials, or play with/against each other. Hence applicants are to come in their primary school sports attire and bring along any personal equipment if necessary.

Most trials can last between 1 - 3 hours, depending on sports requirements.

Applicants will only be allowed to participate in the trials if they are medically/physically fit (not ill with fever, flu etc).

Hwa Chong's DSA-Sports Talent process.

We would like to highlight that for a P6 student to be selected for the DSA Interviews to be conducted on the 8th July, it would depend on:

1. Academic results (2017 – 2018);
2. CCA/Sports Achievement (2016 - 2018);
3. Our teachers / coaches' recommendations during the sports trial.

Applicants selected for the DSA Interview will then be informed by 25th June. Thereafter, if an applicant is successful in the DSA Exercise, he would then be offered a place in Hwa Chong Institution (around end August or early September). If you have other questions regarding DSA (Sports) process, please feel free to email Mr Tok Aik Lin at tokal@hci.edu.sg or Mr David Woon at woontw@hci.edu.sg .

Note: Please do not submit any supporting documents or results slip on the day of trial
