</table>

**Important Notes:**

1. Students **will be ASSIGNED** their tutorial and practical time slots by their lecturers **during the 1st week of lectures**.
2. Students must attend **ALL lectures, tutorial and practical sessions**. Even if students have intense CCA activities, they are still required to make time for the tutorial and practical sessions at their allocated time slots.
3. Even or odd weeks refer to the instructional weeks and not calendar weeks. For example, Week 1 (the week of 12 Jan 2015) and Week 3 (the week of 26 Jan 2015) are referred to as odd weeks while Week 2 (the week of 19 Jan 2015) and Week 4 (the week of 2 Feb 2015) are even weeks and so on and so forth. For an overview of the NUS academic calendar on the instructional weeks starting from Jan 2015, please browse our Registrar’s Office website at the link below:
