List of Standard Subject Combinations for 2012 JC1 (Yr 5)

Please note that the list of subject combinations below is subject to change. The list is NOT indicative of subject combinations that would be offered.

During selection, JC1 students will be given **two choices** of subject combinations from the standard list. Students are allowed to replace any subject offered in the combinations below with H2 Art, H2 Music or H2 Foreign Language, on two conditions:

- 1) one of the content subjects is contrasting
- 2) the subject requirements are satisfied.

Students can appeal for odd subject combination and we will try our best to cater to students' choices.
